

For Year 11 Parents

We are now at the final stage of Key Stage 4, course content and coursework completed so we are left with the all-important revision for the final exams, and it is crucial that students prepare thoroughly for ALL of their exams. The purpose of this letter is to provide you with information about the support we are offering during this exam period.

Last year over 500,000 students, all over the country did GCSE exams. Our students are competing with all other students in order to achieve the best possible results this summer. We constantly remind students that these exams are the most important exams they do, they will help to open the next door for them whether this is Sixth Form, College or Apprenticeship, and we, like you want all of our students to achieve the very best results they possibly can.

The next few weeks become crucial and all of the staff at Churchill Community College want to make sure students are fully supported, during what can feel like a very stressful time, therefore these are the arrangements for the exam season

- All students continue to attend ALL lessons until their LAST exam
- When one subject is completed students will use this lesson time to be doing revision for other subjects. Please encourage your child to be organised with the books, papers, revision guides, etc. to do this effectively in this lesson time.
- Attendance – morning registration and class registers will continue to be marked in the usual way and the attendance team will ring home if students are not in lessons up until their leaving date.
- Uniform – students will continue to wear their uniform and non-wearing of uniform will be followed up in the usual way.
- Students have been given a timetable, which provides them with full details of the scheduled exams and revision sessions. We know these sessions make a massive difference to our students and hope you will support this by ensuring your child's attendance at all of the relevant sessions.

Thank you for incredible support you have provided to your children; our students during their time at Churchill. Finally, good luck, to your child, from all of the staff, we are really proud of the work they have done so far and believe they have the determination to achieve a fantastic set of results this summer, we look forward to sharing in their success in August.
