

# Catering Services Scoops National Fish & Chip Award

The catering team from Churchill Community College were in London to pick up the National Award for their great work in ensuring students have a range of tasty fish dishes in their school menu.

Val Stothert the Catering Manager at Churchill Community College said "The award is a wonderful recognition of all of the good work that goes on in schools across North Tyneside. I was very proud to collect it on behalf of Churchill Community College and the whole Catering Services Team at North Tyneside Council."

A final surprise awaited Val on her homeward train journey when Virgin Trains upgrade her to First Class.

Val collected the award along with Kim Ashby from North Tyneside Council. Kim said "We had a wonderful day and the upgrade was the icing on the cake."

The team would like to thank Kyle their train manager and Virgin Trains for making their day even more special.
